

West Coast Tour

Duration: Full Day

West Coast Tour

Between the mountains of the Cape and the Atlantic Ocean is a low lying plain scattered with farms and little towns. This is the Cape West Coast in South Africa. We are blessed with the biggest natural garden in Spring. For miles on end one can see the wild flowers blooming, fields of white flowers and next to it, fields of orange.

Highlights

- Knowledgeable Tour Guide
- Luxury Vehicle with air-conditioning and tourist specifications
- Bloubergstrand to view and photograph Table Mountain across the bay.
- West Coast National Park
