An en suite bathroom with corner bath and shower is set within the walk in cupboard. This bedroom also features a ceiling fan. The second bedroom with twin beds enjoys a sea view and dedicated bathroom with shower. Across the landing on the upstairs level is a balcony from which to enjoy the sea view. The third bedroom is on the lower level, just beyond the kitchen and living room. Similar to the second bedroom upstairs, this room also has twin beds and a dedicated bathroom with large shower. This Villa is incredibly spacious, with large wooden beams stretching across the ceilings of the upstairs bedrooms. This is a perfect vacation rental for the well-travelled family looking for a luxury break in a spectacular location.
