

Bird Island

Duration: At own leisure

Bird Island

Location: Lamberts Bay

Time: Summer hours (1 October to 31 March) 07:00 to 19:00

Winter hours (1 April to 30 September) 07:30 to 18:00

Duration: At own leisure

It offers visitors a rare opportunity to see the blue-eyed Cape gannet up close. Bird Island is one of only six sites world-wide where Cape gannets breed, and it is the only breeding site easily accessible to the public. In the island’s well-situated gannet lookout, visitors can get close to the birds and witness their unique mating dances. The bird hide is signposted with interesting information about these seabirds and their habits.
