

Sea Kayaking

Duration: 2 hours

Sea Kayaking

Location: Simons town

Time: 08:30 am/11:00 am

Duration: 2 Hours (weather permitted)

The Sea Kayaking departs from Simons Town Harbour. One of the most unique places in the world - a African penguin colony in Cape Town. The best way to see it is from the water the trip leaves from Simon's Town Waterfront and paddle past the Naval Harbour and out to Boulder's Beach to see the penguins. If the time and tide is right, we may stop on a beach for a swimming break and will generally be able to get a close look at penguins on the rocks nearby.
