From Three Anchor Bay, we embark on a 3 – 5 km journey either towards Granger Bay or Clifton Beach. The view of Signal Hill, Lion’s Head, Table Mountain and the 12 Apostles is unforgettable. Uninterrupted views of our spectacular mountain range and the sea breeze will leave you feeling rejuvenated and hungry to taste more of what the Mother city has to offer. The trip to Granger Bay takes us past the Green Point Lighthouse, the wreck of the RMS Athens and to one of the favourite hangouts for our endemic Heaviside’s dolphins. They are common companions to our trips particularly on summer mornings.
